SOLID
STRONG LIGHT DRY

The **first** and **only** fully-bonded construction system

backed by 10 YEAR water ingress & body integrity warranty

THEY'VE GOT A COMMON BOND

WE CALL IT SoLiD CONSTRUCTION

STRONG LIGHT DRY

backed by 10 YEAR water ingress & body integrity warranty

THE MOST ADVANCED TECHNOLOGY EVER USED IN LEISURE VEHICLE ENGINEERING

The first and only fully-bonded construction system for touring caravans and motorhomes. SoLiD Construction uses a tried and tested chemical bonding process as used in advanced automotive manufacture, Formula 1, aircraft and marine construction. SoLiD Construction eliminates water ingress, significantly increases structural rigidity and reduces weight to give you better fuel consumption.

STRONG

Everyone of our caravans and motorhomes is built with SoLiD Construction offering industry leading integrity and rigidity by spreading stresses and strains evenly across all joints.

LIGHT

Our fully-bonded construction system enables lighter vehicles, allowing class-leading specification whilst maintaining our lightweight advantage with improved fuel consumption.

DRY

With waterproof joints and over 95% fewer exterior screws, SoLiD Construction creates an impervious barrier to water ingress, backed by our Free 10 Year Water Ingress and Body Integrity Warranty.

Elddis autoquest

Britain's best-selling motorhome

The multi-award-winning Elddis Autoquest is renowned for its quality, value and driving performance.

Outstanding drive performance is provided by a Peugeot Boxer 2.2 130bhp* HDi Turbo Diesel for better fuel efficiency with six speed gear box and Euro 5 engine with reduced emissions.

The Autoquest Range, unlike most other motorhomes, is built on a standard Peugeot chassis, which we do not modify. Keeping the integrity of the Peugeot chassis gives the Autoquest unrivalled driving qualities.

This coachbuilt range is designed and engineered to the most exacting of standards, combining over 50 years of heritage with ultra-modern features and stylish comfort.

The Autoquest has everything you need in a motorhome – plus lots of home comforts – all at an affordable price.

It's easy to see why this is Britain's best-selling motorhome!

**Elddis Autoquest 115 is 110bhp*

Elddis accordo

The all-new motorhome that really measures up!

The Elddis Accordo is a compact, sporty coachbuilt motorhome range. It has all the benefits of a coachbuilt motorhome, but unlike van conversion competitors, the Accordo comes with bags of living space.

Built by Elddis, the Accordo is based on the multi-award-winning Autoquest range, Britain's best-selling motorhome.

The Accordo is under 2.6m in height and less than 6m in length - with 6'4" internal headroom, making it the perfect choice for your family vehicle.

Outstanding drive performance provided by a Peugeot Boxer 2.2 130 bhp HDi Turbo Diesel for better fuel efficiency with six speed gear box and Euro 5 engine with reduced emissions.

The Accordo Range, unlike most other motorhomes, is built on a standard Peugeot chassis, which we do not modify, keeping the integrity of the Peugeot chassis gives the Accordo unrivalled driving qualities.

This all-new range is designed and engineered to the most exacting of standards, combining over 50 years of heritage with ultra-modern features and stylish comfort.

The Accordo has everything you need and more in a compact, coachbuilt motorhome – without the restrictions of a van conversion - and all at an affordable price.

backed by 10 YEAR water ingress & body integrity warranty

THE MOST ADVANCED TECHNOLOGY EVER USED IN LEISURE VEHICLE ENGINEERING

The first and only fully-bonded construction system for touring caravans and motorhomes. SoLiD Construction uses a tried and tested chemical bonding process as used in advanced automotive manufacture, Formula 1, aircraft and marine construction. SoLiD Construction eliminates water ingress, significantly increases structural rigidity and reduces weight to give you better fuel consumption.

STRONG

Everyone of our caravans and motorhomes is built with SoLiD Construction offering industry leading integrity and rigidity by spreading stresses and strains evenly across all joints.

LIGHT

Our fully-bonded construction system enables lighter vehicles, allowing class-leading specification whilst maintaining our lightweight advantage with improved fuel consumption.

DRY

With waterproof joints and over 95% fewer exterior screws, SoLiD Construction creates an impervious barrier to water ingress, backed by our Free 10 Year Water Ingress and Body Integrity Warranty.
